He has represented MNCs, NBFCs, PSUs, VC Funds, and HNIs before the Bombay High Court, the Supreme Court of India, the NCLT, the Securities Appellate Tribunal, and other courts and tribunals across India, as well as in international arbitrations administered by the SIAC.

His disputes practice covers shareholder and commercial conflicts, contract enforcement actions, land and tenancy issues, cheque dishonour proceedings, and arbitration-related court litigation. He has handled both domestic and international arbitrations, securing favourable interim and final reliefs in high-value commercial matters, and regularly advises clients on dispute strategy from pre-litigation stages through enforcement.

In the regulatory domain, Rugved has appeared before SEBI and SAT in matters involving insider trading, preferential allotments, and LODR violations, and has advised on settlement and enforcement actions before the RoC and the ED. He also advises on employment and labour issues, POSH compliance, media and entertainment disputes, and real estate diligence in Maharashtra and Goa, while maintaining a discreet private-client practice for sensitive matrimonial matters.
