BRIEF PROFILE

Saleem is a Partner at C&S Partners. He is a litigator having over 25 years of extensive experience of handling civil / commercial & criminal litigations before various courts / forums and arbitral tribunals both domestic as well as international.

He holds Bachelor's degree of law and Master's degree in Business Administration with double specialization (International Business Finance & Human Resources Development). Before joining C&S Partners in 2025, he was a partner in dispute resolution practice at DSK Legal, Luthra & Luthra Law Offices and Singhania & Co.

He regularly appears before various arbitral tribunals and courts in India; and is frequently engaged in several prominent matters before the Supreme Court, various High Courts and District Courts in India.

Saleem has considerable experience in arbitrations involving multi-jurisdictional claims conducted in diverse areas, including Foreign Investment, Bank Guarantees, Technology Transfer, Engineering Projects, Commercial contracts, recovery of money, etc. He has also handled and continues to handle some of the most high profile and largest claims in Indian commercial history.

Saleem has himself represented and assisted many foreign counsels in International Arbitrations presided over by foreign arbitrators (Like Lord M.J. Mustill, Mr. Sigvard Jarvine), retired Hon'ble Supreme Courts and High Courts Judges of many countries and well-known names in the field of Arbitration.
